

ACCREDITATION AND EVALUATION FEES AND OTHER ASSESSMENTS

General Policy about Fees

The Council on Podiatric Medical Education believes that a joint responsibility exists among CPME-recognized institutions/organizations and the practice community (APMA) for the financial support of the Council's evaluative process. With this in mind, the Council has developed fee schedules for various aspects of its evaluation and recognition activities that attempt to balance the responsibility between APMA and those institutions/organizations that seek CPME accreditation, approval, and recognition. The Council reserves the right to modify fee schedules at any time and will provide appropriate advance notice to affected institutions and organizations. The Council currently employs the following fee schedules:
