Brief History since the Last Comprehensive Evaluation:

November 2023

Comprehensive on-site evaluation conducted.

April 2024 CPME Meeting

Based on the review of the comprehensive team report, the college's written responses to the team

report, and the dean's presentation to the Accreditation Committee on April 18, the Council granted accreditation of the college through April 2032. On-site re-evaluation may be expected during the fall of 2031. The maximum first year class enrollment for your institution is 50.

The college is in compliance with all accreditation standards and requirements.
