Brief History since the Last Comprehensive Evaluation:

October 2016

Based on review of the comprehensive report of the evaluation team, the school's written response to the team report, and the dean's presentation to the Accreditation Committee on October 19, the Council granted accreditation of the Barry University School of Podiatric Medicine through October 2024. On-site re-evaluation may be expected during the spring of 2024. The maximum first-year class enrollment is 67. No areas of noncompliance were identified during the on-site evaluation.
