Brief History since the Last Comprehensive Evaluation:

April 2015

Based on review of the comprehensive report of the evaluation team, the school's written response to the team report, and the institution's presentation to the Accreditation Committee on April 22, the Council granted accreditation of the Temple University School of Podiatric Medicine through April 2023 with on-site re-evaluation during the fall of 2022. The maximum first year class enrollment for the institution is 100.

Two areas of noncompliance from the CPME 120, *Standards and Requirements for Accrediting Colleges of Podiatric Medicine*, were cited following the on-site evaluation, which took place February 2-5, 2015 (1.B – Strategic Planning and 6.F – Student Organization).

October 2015

Based on a recommendation from the Committee, the Council accepted the progress report and determined the institution is in compliance with requirements 1.B – Strategic Planning and 6.F – Student Organization in CPME 120.
