Digital Millennium Copyright Act (“DMCA”) Notice

CPME is committed to complying with copyright and related laws and requires all visitors to comply with these laws. Accordingly, you may not store any material or content or use or disseminate any material or content through the Site in any manner that constitutes an infringement of third-party intellectual property rights, including rights granted by copyright law. Owners of copyrighted works who believe that their rights under copyright law have been infringed may take advantage of certain provisions of the Digital Millennium Copyright Act of 1998 (the “DMCA”) to report alleged infringements. You may not post, modify, distribute, or reproduce in any way any copyrighted material, trademarks, or other proprietary information belonging to others without obtaining the prior written consent of the owner of such proprietary rights. The policy of CPME is to terminate use privileges of any user who repeatedly infringes the copyright rights of others upon receipt of proper notification to CPME by the copyright owner or the copyright owner's legal agent.

If you feel that a posted message is objectionable or infringing, we encourage you to contact us immediately. Upon our receipt of a proper notice of claimed infringement under the DMCA, we will respond expeditiously to remove, or disable access to, the material claimed to be infringing and will follow the procedures specified in the DMCA to resolve the claim between the notifying party and the alleged infringer who provided the content in issue. If you believe that your work has been copied and posted using the Application in a way that constitutes copyright infringement, please provide our designated agent with the following information: (a) an electronic or physical signature of the person authorized to act on behalf of the owner of the copyright or other intellectual property interest; (b) a description of the copyrighted work or other intellectual property that you claim has been infringed; (c) a description of where the material that you claim is infringing is located to permit us to locate

the material; (d) your address, telephone number, and email address; (e) a statement by you that you have a good faith belief that the disputed use is not authorized by the copyright or intellectual property owner, its agent, or the law; and (f) a statement by you, made under penalty of perjury, that the information contained in your report is accurate and that you are the copyright or intellectual property owner or authorized to act on the copyright or intellectual property owner's behalf.

You agree that, regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to these Terms of Use must be filed within one (1) year after such claim or cause of action arises or will be forever barred.

Entire Agreement

These then-current Terms of Use, together with the Privacy Policy and any additional terms agreed to or incorporated herein, constitutes the entire agreement between you and CPME with respect to the Site, any information contained therein and your use thereof, and supersedes any previous written or oral agreement between you and CPME.

Waiver/Severability

The waiver by either party of a breach or right under these Terms of Use will not constitute a waiver of any subsequent breach or right. If any provision of these Terms of Use is found to be invalid or unenforceable by a court of competent jurisdiction, such provision shall be severed from the remainder of these Terms of Use, which will otherwise remain in full force and effect.
